**SIGMA**  
SWITCHES PLUS

Dear Valued Customers,

**Thank You!** Sigma Switches Plus, Inc. would like to thank you for considering us as your switch supplier. Sigma Switches Plus, Inc. was founded in 1986. The company's purpose is the development of proprietary switch products offered to various industries such as the appliance, lawn and garden, medical, scientific equipment, automotive and recreational vehicle industries.

Many of Sigma Switches' switches have a patented wiping action. The switches wipe the contacts clean with each actuation to help prevent matter build up. This feature is ideal for harsh environments with dust and or debris, low voltage applications and low actuation applications.

Sigma Switches' mission is to supply the highest quality switches with the best customer support available.

- We keep most of the popular circuits in stock.
- We stock unique items with a blanket order contract.
- We can produce most circuits and special color needs.
- We can print any nomenclature from stock items.

We have earned various on-time and zero defect awards from our customers due to our high quality switches and high customer service standards.

We are constantly adding to and improving our selection of Rocker, Toggle, Push Button and other types of switches. If you find don't find it here in our catalog, or on the pages of our website, feel free to contact us for the most current information. If you need a specially designed custom switch, we can discuss your custom design requirements as well. We look forward to helping you with your next switch purchase.

Sincerely,

The Employees and Management of Sigma Switches.

# SPECIAL FEATURES

## QUALITY DESIGN AND MANUFACTURING

### Elements of a Superior Switch

**Options:**

Choice of Colors & Markings

**Easy to Install:**

Self Locks into a proper panel cutout

**Solid Design:**

Light, yet Positive Detent Action

**Contacts:**

Sliding Contact wipes away any Debris and Matter Buildup, ensuring a more reliable contact

**Actuator:** Nylon 6/6 UL 94V-2

Illuminated Actuator:

Transparent Polycarbonate

**Body:**

Nylon 6/6  
UL 94V-2

**Elements:**

Fully Enclosed  
Active Switching  
Elements

**Easy to Terminate:**

.187 Quick Connect Terminal or  
.250 Quick Connect Terminal

Many of Sigma Switches' switches have a self cleaning contact feature. Unlike most rocker switches, Sigma's contacts are manufactured to slide and rotate with each actuation of the switch wiping away matter buildup and maintaining contact cleanliness.

The self cleaning contact feature gives the switches increased reliability and excels in low voltage, low actuation applications and applications which are exposed to light or heavy dirt and dust or other harsh environments.

The switches are suitable for use with any electrical appliance, lawn and garden, medical, scientific equipment, automotive or recreational vehicle applications.

# SALES CONDITIONS & WARRANTY

**The following sales conditions & warranty apply without exception to all sales by Sigma Switches Plus, Inc.**

- 1) All blanket orders must be used within 80% of the total quantity originally ordered. Less than 80% usage will result in a penalty of first part rebilling at the higher quoted or PRICE LIST pricing.
- 2) We reserve the right to under or over ship ordered quantity up to 5%, as necessitated by varying production yields.
- 3) Our products are warranted to be free of defects in material and workmanship for a period of 1 year from the date we shipped. Our responsibility under this warranty is limited to replacing or repairing defective material and no other claims contingent or otherwise will be considered. This is in lieu of all other warranties expressed or implied.
- 4) No term or condition on buyer's purchase order or any other instrument, agreement or understanding (unless expressly referred to on the face of the Sigma Switches quotation) shall be binding upon Sigma Switches.
- 5) Shipping dates given in advance of actual shipment are estimated, and deliveries will be made subject to prior orders on file with us. We shall not be liable for delays resulting from causes beyond our reasonable control or caused by fire, labor difficulties or delays in our usual sources of supply.
- 6) If, in our judgement, the financial condition of the purchaser at the time merchandise is ready for shipment does not justify the terms of payment specified, we reserve the right to require payment in cash before shipment or delivery.
- 7) All orders are subject to the acceptance of our main office, and, unless otherwise stated, all sales are made F.O.B. point of shipment, and such shipment or delivery shall be considered a separate and independent transaction.
- 8) No sales representative of the company has the authority to alter, vary or wave any of the forgoing standard conditions.
- 9) Notification of rejected shipments must be made in writing within 30 days of receipt of merchandise.
- 10) It is expressly understood that any technical advise furnished by seller with reference to the use of it's products is given without charge and seller assumes no obligation or liability for the advice given or results obtained, all such advise being given and accepted at buyer's risk.
- 11) No modification of the above terms and conditions shall be effected by seller's receipt or acknowledgement of a purchase order containing additional or different conditions, as acceptance of this order is governed solely and exclusively by the conditions as stated herein.

**Special notes:**

All goods delivered hereunder are produced in compliance with the Fair Standards Act of 1938 as Amended.

We hereby certify that we did ship on the aforementioned shipment date(s), via aforementioned method of shipment(s) in accordance with shipping instructions issued by the ordering officer, supplies in the quantities shown heron and that such supplies are consistent with the quantity and quality of items designated by the cited purchase order. This statement is furnished to support payment of invoice.

We hereby certify that these goods were produced in compliance with all applicable requirements of Sections 6, 7 and 12 of the Fair standards Act, as amended and of regulations and orders of the United States Department of Labor issued under section 14 thereof.
