**Features**

- Self cleaning contacts
- Custom colors & printing available upon request
- Crisp Detent Action
- Small Switch-High Current Switching
- Easy To Terminate With Solderless Connectors
- Easy self-locking panel mount, no hardware required
- Optional clear boot fits all 2 Series switches
- Fully enclosed active switching elements

**Mounting**

No hardware or tools needed. Self locks into proper panel cutout 12.9mm (0.508") x 19.2mm (0.756").

Acceptable panel thickness range is from .04mm (0.025") to 4.57mm (0.180").

**Termination**

Standard is solderless 4.75mm (0.187") wide x 0.81mm (0.032") thick. Solder terminals are also available.

**Our Commitment to You**

We are constantly adding-to and improving our selection of Rocker, Toggle, Push Button and other types of switches. If you do not find what you need here, or on other pages of our web site, please do not hesitate to contact us. If your need is custom, we would like to discuss your unique design requirements as well.

Thank you for giving us the opportunity to fulfill Your switching needs!
